

This Halloween, nothing could be more frightening than a...

WHITE HOUSE OF HORRORS

Starring
Senator John McPain
and Governor Scare-Ya Palin

McCain thinks *Roe v. Wade* "must be overturned." And he mocked the "health" of women facing risky pregnancies. Palin said she would not support abortion even if her daughter were raped.

Don't let the radical right haunt women and girls for four more years!

Run...don't walk...to the polls on Nov. 4!
